I can do 2pm. Would it be easiest if I call you? My colleague, Reed Dhein, will also be joining us.

Thanks!

Hi Maggie:

I'm traveling for work this week, but I've asked my colleague, Eileen Deamer, to follow up with you on Thursday or Friday if she can. (Eileen has the lead on Michigan issues, so she's also familiar with this mining project.)

Would you like to suggest a few dates and times for a call to get things started?

Thanks,  
Denise

Good afternoon Denise,

I wanted to see if I could schedule a time to talk with you or one of your colleagues regarding EPA's involvement in state mining projects, specifically the Back 40 Mine in Michigan (on a shared waterway with WI). Hoping we could set something up this week or early next?

I look forward to hearing from you.

Thank you,
